

Exciting News: New Customer Portal Coming This Summer!

We are pleased to announce that this summer, Seacoast Utility Authority will be launching a brand-new customer portal on our website! This exciting development is designed to enhance your experience with us by providing convenient and efficient tools for managing your water services.

Our new customer portal will offer a range of features, including:

- **Easy bill payment options:** Pay your bills online with just a few clicks, anytime and from anywhere.
- **Usage tracking:** Keep track of your water usage and monitor your consumption trends effortlessly.
- **Account management:** Update your account information seamlessly and make necessary adjustments as needed.
- **Notification settings:** Set up personalized notifications to stay informed about important updates and reminders.

Our team is dedicated to ensuring that this transition is as smooth as possible for you. We will be providing regular updates and support to guide you through the process and answer any questions you may have. Thank you for your continued support and loyalty. We look forward to introducing you to our new customer portal and providing you with an even better experience.
