

## SEACOAST HAS AN IMMEDIATE OPENING FOR A CUSTOMER SERVICE FIELD TECHNICIAN

Responsible for inspecting, fixing and maintaining AMI meters including repairs and replacement of wires, transmitters and other issues. Performs a variety of routine manual duties regarding testing meters to ensure proper operations and accurate readings using system tablet. Analyzes consumption and investigates abnormal usage patterns using automated reading technology and the leak analytics platform. Discontinues or connects service to consumer's establishment, following written or oral instructions. Performs a variety of tasks in the customer service utility computer software.

The omission of specific statements of the duties does not exclude them from the classification if the work is similar, related, or a logical assignment for this classification. Other duties may be required and assigned.

Minimum qualifications:

- Florida Driver's License in good standing.
- High School graduate or equivalent.
- Any equivalent combination of education, experience and training may be considered.

Hourly Pay Range: \$20.25 to \$32.93

Outside Hire Starting Pay Range: \$20.25 to \$26.60 hourly depending on qualifications and experience.

Closing date: 11/20/2024

Excellent benefits to include employer paid health, dental, life, short & long-term disability and retirement.
